### From the Executive Director:

Greetings from the BLDC!

As we kick-off our 2023 membership drive, we want to thank you for your ongoing support. Your investment in Butte helps us to continue executing on the programs and projects that will move our community forward in the years to come.

You may have heard of several big projects recently, one of which has just broken ground at the Montana Connections Park (Dvele), and another that is considering Butte as the location of its new manufacturing facility (Cenate).

The BLDC team has collaborated with Butte-Silver Bow in helping these businesses as they work to choose Butte. They've got the potential to bring many good paying jobs to our community, and to contribute significantly to our tax base.

And we're always here for small businesses, too, offering grant writing assistance; access to capital; technical assistance; site location; marketing guidance; HR IOI; financial planning and analysis; and more!

We're grateful for your reinvestment this year, and for new members, we thank you for joining!! We continue our tireless efforts to improve Butte's economic vitality. Please consider joining us quarterly for a quick 'Member Chat' to stay abreast of new developments as they unfold throughout the coming year. Invitations with a link will be emailed to you prior to each one.

Sincerely,
