

FOR IMMEDIATE RELEASE

BLDC ANNOUNCES BUTTE. ELEVATED. ECONOMIC DEVELOPMENT WEEK

The Butte Local Development Corporation (BLDC) is excited to announce Montana's first economic development week, May 6th through the 10th, of 2019! In conjunction with national economic development week the BLDC and it's partner organization, Headwaters RC&D, will be hosting a week of training, professional development and networking as well as a job fair to showcase what our community has to offer.

The purpose of the week will be to highlight what economic development means to Butte, from opportunities for employees to the needs of large employers, and the efforts that our community is putting forth to grow our local economy. The Workforce Fair will feature employer booths from the Butte-Silver Bow area, including Butte's newest major employer, FCR, who will have representatives that will be presenting information on the company and available positions. Events will be hosted at locations throughout Butte, and many will require prior registration.

The week will have different events every day, and will include the following agenda:

Monday, May 6th: Butte Young Professionals Leadership Symposium
Tuesday, May 7th: Small Business and Entrepreneur Training
Wednesday, May 8th: Butte Economic Development Team Panel Discussion
Thursday, May 9th: Workforce Readiness with Department of Labor & Butte Job Service
Friday, May 10th: Workforce Fair and Employer Reception
